

F-8576

REMARKS

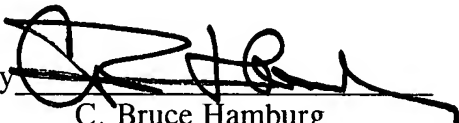

Obvious inadvertent occurrences of the word "bumper" instead of
--damper-- have now been corrected.

Also, claim 1 has been amended to make it more suitable for U.S.
practice, especially considering it was not applicant's intention to present a U.S.
Jepson-type claim considering possible disadvantages in doing so.

Finally, claim dependencies have been amended so no multiple
dependent claim depends from another multiple dependent claim because the
USPTO will not examine such claims.

Respectfully submitted,

Jordan and Hamburg LLP
